

This Wednesday night will be very special:

DO YOU KNOW THIS MAN?

This is Dave Fisichella, he works at the Woods Hole Oceanographic Institute, he is a pilot and CAPA member, and this Wednesday night he will be presenting the "Hidden Secrets of Foreflight," the dominant iPad app used by tens of thousands of pilots for everything from flight planning, weight and balance determinations, navigation, as an aid to IFR approaches, and even as their official, legal logbook. Be sure to join Dave and us at this Wednesday's CAPA meeting for this one night presentation following our CAPA scholarship presentations.

Shown in a glider, last year he started a flying club at Falmouth Airpark to get more people in the air. They now have ten members and own a nifty Cessna Skyhawk, and are discussing purchasing another aircraft!

CAPA 2017 SCHOLARSHIP AWARDS

Presenter - FAA Deputy Administrator Todd Friedenbergh with last year's winners

At this Wednesday's CAPA meeting you'll meet the very deserving winners of the 2017 CAPA scholarships and hear their stories and about their passion for aviation and

aerospace. These Cape students will inspire you, and give you pride that our community turns out such outstanding achievers. This year through the hard work of CAPA scholarship chairman Dr. Jeff Bauer we had fifteen applicants, a new record. We have awarded five scholarships again this year, three \$2,000 "Red Beach" Scholarships, named after the late Chatham flight instructor, the \$2500 John Garabedian scholarship, and the \$3,000 Cape Air scholarship.

CAPA scholarship winner Kyle Ouellette of Mashpee (l), now an ATP, taken Friday as he left for his first flight as a Republic Airlines 1st Officer

The scholarship committee wants to thank every member who sent in a donation to the scholarship fund, especially to three figure donors Gavin Archibald, Jeff and Shelia Bauer (each), Joe Colasuono, Pete Dooley, Christopher Hyldburg, Bud MacDonald, Roger McDowell, Dave Murray, and Al Wickel.

Especially noteworthy is a young man from Harwich, David McWilliams. He is a former scholarship recipient who graduated from Rensselaer Polytechnic Institute last year and very generously donated \$500 in his first post graduate year. Again this year, he has done the same; a \$500 gift with no fanfare, just a desire to say thank-you and help keep our shared passion for helping aviation students at CAPA alive. This is indeed a special young man. We hope his example will inspire more of our members to support this effort.

CHATHAM AIRPORT COMMUNITY DAY

This coming Saturday, June 10th, Chatham Airport will be buzzing from 10 AM - 2PM with an annual event everyone has come to enjoy, the Chatham Airport Open House. Chatham Airport Manager and Sitck n' Rudder Aviation honcho Tim Howard will be at our meeting to personally invite CAPA members to attend, and join with their aircraft in in the flour drop competiton, as well as bringing your family, friends, children, grandchildren and their friends, etc.

Here's what to expect:

Children's area, face painting, food available for purchase, Hangar B open for regular business Family Friendly, no charge for attendance.

DUES REMINDER

2016 CAPA membership was 130 members, and since renewal letters and membership cards were mailed we have received back 89. If you are one of the 41 MIA and have not yet mailed in yours, please send \$35 (plus any scholarship contribution you'd like to make) to CAPA, P.O. Box 3005, Waquoit, MA 02536. Your membership keeps Cape aviation strong, and keeps you in touch with Cape aviation and activities. Plus we'll send you your 2017 CAPA membership gift back by return mail.

CAPA MEETING BASICS

For those who have never been, CAPA meets on the first Wednesday of every month at Cape Cod Community College, 500 yards North of exit 6 from Route 6. We are in the media room on the ground level of the Wilkins Library. Use the rear direct entrance. Parking is free and easy, use lots 2 & 3. It's a great way to connect with your flying friends, to make new friends, and to get you out of the house and away from the crippling effects of watching TV. We wrap up around 8:30-8:45.

Join us!
